What will happen?

preparation

Young people will develop training activities with the support of project leaders who will be responsible for ensuring the participation, evaluation and involvement of young people in the project. Preparation will begin one month after project approval, so that leaders have time to choose the participants. They will develop a non-activity formal to become more aware of their craft skills and to get more knowledge about recycling, how to recognize a tool that can be recycled and how to use to do something innovative.

youth exchange +

Young people help develop communication between partners involved in this project. They prepare a document to share the results and goals they want to achieve in this project. With the support of the responsible person, they analyze the activities they can do for them develops artistic sense, studying materials and working methods.

dissemination

During implementation, leaders will be facilitators of youth exchange. In the way cooperative, facilitators will prepare a few activities together with young people, share knowledge about the subject, about non-formal activities, about concept of entrepreneurship. For each activity the facilitator will be helped by 3 members of the associations who will do: - Media report, one participant will take pictures and video about activities; - Assistant, one participant will support the facilitator who helps the group to develop the activities and a participant will write on a flip chart step by step the activities to be done.

Travel
