# *PARTICIPANTS,*

We are excited to announce our upcoming project in Poronin, Poland beginning September 6th. Together we will be exploring the topic of eco friendly entrepreneurship.

We seek to combine the needs of our generation, higher employment rates for youth, and the needs of the environment, a more sustainable mindset towards our limited resources, and create an eco-entrepreneurship project that will benefit both.

Your Organizing Team,  
Dennis, Ramon, Alexandr, Zimek & Katie

## **PROMOTE SUSTAINABLE BUSINESS MODELS**

We will explore healthy models of business that are sustainable and have a holistic approach in mind. All the while learning how to replicate such systems.

## **ECO-ACTION CAMPAIGN**

At the end of our project we will create an eco-action campaign to begin in the town of Zakopane to encourage healthy mindsets that promote sustainability and reduce pollution and smog

## **METHODS USED?**

Hackathons, brainstorm sessions, green quests, study case solving, youth debates and storytelling
