YOUR CELEBRATION IS MY CELEBRATION (INFO PACK)

Objectives of the Project:

The project about **Easter celebrations** aims to find the common ties of the traditional cultural inheritance within the European countries and Turkey. So it is very important to participate and share each other celebrations for the Easter, to identify the common ties and the particularities of each country (partner involved) and to find ways to transmit this experience to others, to the people living in our area, or to all the Europeans.

Turkey/Siirt is on the edge of extinction which requires a special attention as it is determined in the Convention for the Safeguarding of the Intangible Cultural Heritage 2003 by the **UNESCO**. Therefore, one of the main objectives of the Project is to protect and revive the Easter in Turkey/Siirt with along the contributions of the partner states.

YOUR CELEBRATION IS MY CELEBRATION

Summary of the Project:

GELDER, as an association, is located in Siirt (One of the southeastern province of Turkey) there are two main activities of GELDER; to **increase tourism and to strengthen cultural ties**. In this context, GELDER organized a cultural event called "Yumurta Bayrami (Easter Celebration)" in Siirt/Turkey every year in May where in the name of various cultural events are held. One of these activities is the establishment of "information desks" which is promoting the cultural characteristics of the towns in our province, Siirt. Promotes their cultural elements of information desks set up by the districts. Thus, **increasing cultural ties** between the districts and provincial level are carried out.

The aim of the project is to carry these event **from local level to the European level**. Within the scope of the project European countries (partner countries) will have the opportunity to present their own cultural characteristics within the framework of this activity. Thus, the participating countries, as well as the host country, will transfer their culture to each other. This cross-cultural fusion is thought to consolidate of "Europeanness" awareness.

Partners and Their Respective Tasks:

There will be **8 Partners** (Two of them from Turkey, the other 6 will be from EU Countries) and each partner will participate with **4** person (who aged between 18-30) and **1** Group Leader).

According to project, the event to be held at **15-21 April, 2020**. The Program is planned for **7 days** (including travel). Partner countries will participate in this event and will introduce their Easter Celebration by information desks. They will introduce their cultural Easter Celebration with their products which of the partners bring with them. They will introduce their Easter Celebration with these products such as photographs, soundtracks, regional outfits, meals, regional drinks etc.
