Unfortunately, we don't have budget to reimburse you the expenses made for the things that you are bringing, but try to be creative and funny! You can show videos, photos, sing music and dance traditional dances from your countries! We are counting on you to make these evenings as interesting as possible and promise to help you in any way that we can! WEATHER

In April, Varazdin area, where the town of Ludbreg is situated, usually is quite warm yet don't rush to leave your jackets home. The daytime temperature goes up to +16C and may low down to +6C and even lower. Be prepared for rainy days as well, bring warm clothes and an umbrella. Of course, we can't predict the forecast and even if it will be warm, but it's better to pack some extra layers of clothes and medicine for cold/allergies.

Croatia has its own currency - kuna, be prepared to have some money exchanged to pay for the bus, train, taxi, snacks and everything you would like to buy after your arrival to the destination. You can exchange euros in the airport or big bus and train stations, banks.
