Hungary

If you would like to know some info about Hungary before coming here, check the <http://www.hungary.com/> website.

Here is a short quotation from that webpage:

"This small country is one of the oldest European countries, situated in the middle of the continent in Central Europe.

Hungarians speak a language and form a culture unlike any other in the region: this distinctiveness has been both a source of pride and an obstacle for more than 1100 years.

And there is something else that keeps bringing visitors back to us - the legendary Hungarian hospitality."

Early birds!

I mean who will arrive earlier to Budapest. You can use that text (“JÓ NAPOT KÍVÁNOK...”) at Budapest-Ferihegy train station as well. How to go to Ferihegy Train Station.

1. Bus 200E: Ferihegy Airport terminal 2 -> Ferihegy vasútállomás (4th stop)

The Hungarian text is correct in this case as well.

IMPORTANT!

- When you get on the train, please check if you sit in the “right place”, because the train has normal and Inter City cars. And your ticket is valid only in the normal part, so you can not sit in the Inter City part of the train because the controller will punish you.

- Please send me a message when you will get on the train in Kőbánya-Kispest train station/Ferihegy train station to know when we should expect you.

How to get to the Accomodation

It is super easy, the accommodation is 9 minutes walk from the train station ☺

Here is the address of the Accommodation again: Szeged, Semmelweis u. 4, 6725 The name of the Accommodation is SZOTE Kollégium . If you feel that you lost you can ask local people. If they do not know where is the Hotel then ask them about Novotel Hotel that one is near to our Hotel.

Weather

Before leaving your home country please check the weather forecast at:

Smoking in Hungary

Don't smoke on the public place (public transport stop, station, hospital, school, restaurant, etc.), because you get big penalty!

You can smoke on the street, but 5 meter from entrance of this place!

You can buy cigarette and tobacco just in the special shop from last year. The name is Nemzeti Dohánybolt (National Tabacco Shop).
