

AGORA

MAIN MOBILITY- INFOPACK

Italy - Calenzano (Florence)
6th-16th April 2023

**Viaggi Senza
Frontiere Onlus**

PROJECT DESCRIPTION

In our days, human societies across the globe are more interconnected than ever, thanks to technological advances & communication revolution, which have turned the world into a “global village”. Despite of this great interconnection it is more difficult than ever, people to be integrated and connected among them, people feel more alone than ever, as internet and social media have reshaped the way we approach and build new relationships.

Therefore, there is a real need to unite young people through direct contact, dialogue, cultural and personal sharing, through initiatives aiming to bring active participation in cities.

MAIN OBJECTIVES

- to promote active citizenship and to increase the sense of initiative of young people from different backgrounds
- to promote social integration, inclusion and solidarity through active participation and common working
- to promote diversity and increasing the involving of marginalised young people
- to establish and strengthen cross-border partnerships and inspiring follow-up activities

Young people will develop activities based on the NFE related to awareness in relation to active participation, citizenship, integration, cohesion.

PARTICIPANTS PROFILE

Young people will be selected according the following characteristics:

- Interest to improve the discussion of matters of European interest with other young people in Europe;
- Interest in developing their competence in a foreign language (English);
- Interest in the project's theme;
- Willing to promote awareness regarding inclusion and active participation in their local community;
- Motivation and willingness to participate in all phases of the project.

Participants must be informed of all project activities and must be willing to participate actively in local and international activities.

In addition, the gender balance should be maintained as far as possible.

ABOUT THE VENUE: CALENZANO (FLORENCE)

MEDIEVAL VILLAGE

**COUNTRYSIDE: OLIVE TREE
TOWN**

TRAVEL TO ITALY

Our city bus

BY PLANE

From Florence Airport you can:

- catch bus line 57 direct to Calenzano (about 30 min)
- go to the main city station (Firenze Santa Maria Novella, or acronym Fi-SMN) and there catch a local train to Calenzano
- go to the main city station and there catch tram line T1 and go down at Stop n 24 "Careggi Ospedale"; here you have to catch bus line n 2 direction Calenzano (see next slide for more details)

TRAVEL TO ITALY

BY TRAIN

If you arrive direct from your country by train you have to reach the main city station "Firenze Santa Maria Novella" (you can find the acronym FI-SMN)

- From here you can get a local train to Calenzano

TRAVEL TO ITALY

OUR ADVICE

If you arrive in Florence either by plane or by train the best way to reach Calenzano is from the Fi-SMN station and there catch a local train to Calenzano, this is the easier and faster way to us.
